OK FROM Bacchus Marsh and Keilor to run the events.

Ok from the NFG to use the field Nov.5th &6th

Letter from Graham Scott re the request he made for the proxy vote.

Advice from PARCS that work was being done on the strip, and would be out of action.

VMAA minutes.

Correspondence out:

Requests sent to Keilor, Bacchus Marsh, and PARCS.

Request to VRF for the field next Queens Birthday weekend 2012.

Request to the NFG for the use of the field for the State Champs. Nov. 5/6th

Application to the VMAA for the State Field to run the State Champs.

Treasurers report: tabled 56 current members

General business:

Outgoing Secretary thanked members present for their help in the past.

David spoke about retiring committee members, and thanked them for their effort. He also spoke about the Vicscale Trophy, and the introduction of the new event for large models with a minimum of 2.5 metres span. Very successful event.

Show & tell

John Gottschalk showed a nose wheel leg he made for his Cessna.

Gary Sunderland advised that you can get materials from Airport and builders dumpsters, and Hoop Pine timber from hardware stores, almost as good as Spruce.

Many thanks to Frank Singh for the supper.

Finished 8.30pm
