Previous minutes: reads

Matter arising: nil

Correspondence in:

VMAA minutes, e-mail from Daniel Wheeler re setting up a Facebook page for the VFSAA.

Correspondence out:

Reply to the Warrnambool Club thanking them for their invitation to run an event. We will consider it for the future.

Treasurers report: 56 members, bank balance \$3527.93

General business:

David Walsh noted that there was a fly-in at Bairnsdale on 15-5-11 the Mid May Muster. David Law spoke about Daniel's e-mail re the Facebook page. Decision was that it was not for the VFSAA.

David asked for a show of hands for those interested in going to Haydn Hampson's Scale Night.

Haydn gave a run down on the activity's at his house on the night. 1st. Wednesday in May. Speak to Col Collyer about an event at VARMS.

Show and tell:

John Lamont showed his new exhaust for his OS120 , Carbon Fibre Tissue and a Zona Saw.

Noel Whitehead showed his Futaba radio and the S Bus receiver and programmable servo.

David Anderson showed his electric powered Zaunkonig, a German pre- war aircraft, built as an observation aircraft.

Meeting closed 9.00 pm

David Law gave a presentation on Documentation requirements for Scale Competition.

Many thanks to Frank Singh for the supper.
